# Change Your World Transformation Tables

Change Your World Transformation Tables are values-based leadership lessons designed to be experienced in a group setting of 4-8 people that meet weekly, either in-person or online.

1

## Value Tables

*Learn and apply six lessons on good values such as Hope, Listening, Valuing Every Person, Integrity, Forgiveness, and Multiplication.*

2

## Action Tables

*Build on the foundation of good values with lessons focused on learning to intentionally take action with others.*

3

## Action Center

*Access a curation of guided plans, exercises, and videos to help you create a plan for impact. Plus, additional values lessons!*

Weeks 1-6

1-HOUR PER WEEK

Weeks 7-12

1-HOUR PER WEEK

Weeks 12+

SELF-PACED

### Benefits

- Teams develop a common language and a deeper connection as they learn about each other.
- Teammates report feeling heard and team leaders report higher levels of engagement.
- The organizational culture shifts to reflect values-based leadership principles.

### What to Expect on your Journey

Each lesson is broken into six sections. The group will read the material together, share key insights, take time for self-reflection, discuss, and commit to an action step.

### Testimony

*"I've worked with my team for 3 years and there are things I've learned about them in the past 4 weeks I never knew. I have greater compassion for each person and that allows me to lead better. My team feels seen and valued in a whole new way."*
